GREENBACKS or Government Money.

At close of our Civil War in 1865,

there appeared in the London Times the following:
"If that mischievous financial policy which had its origin in the North American Republic during the late Civil War in that country, should become indurated down to a fixture, then that government will furnish its money without cost. It will have all the money that is necessary to carry on its trade and commerce. It will become prosperous beyond precedent in the history of civilized nations of the world. The brain and wealth of we do not handle, because all countries will go to North America.
We know nothing adout the THAT GOVERNMENT MUST BE DESTROYED OR IT WILL DE-

STROY EVERY MONARCHY ON THIS GLOBE." The famous Hazzard circular, to capitalists in New York, and the Buell Bank circular to United States Bankers, both emanating from London, and the fabulous corruption fund raised in England and Germany, estimated at \$1,500,000, were the agents that secured the closing of our mints against

Wednesday, April 12, 1899,

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is Catarrii Hall's Catarri Cure is that is Catarrii Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials.

which is the life-stream. Dr. Pierce's Golden Medical Discovery is the greatest of all blood-makers and purifiers. It gives edge to the appetite, corrects all disorders of the digestion, makes the assimilation of the life-giving elements of the food perfect, invigorates the liver, promotes secretion and excretion, and vitalizes the whole body. It makes firm, muscular flesh, but does not make corpulent people more corpulent. It cures 98 per cent. of all cases of lingering coughs, bronchial, throat and kindred affections, which, if neglected, lead up to consumption. It is the best of all nerve tonics and restoratives. Kept by all medicine dealers.

"I was taken ill in February, 1892, with headache and pain in my back," writes H. Gaddis, Exa. 26 31, South J Street, Tacoma, Wash. "I
